

Year 11 Parent Bulletin 15.4.24

Welcome Back

We had our best ever attendance at the Easter revision sessions this year! Well done to all the students who attended, we hope they found the sessions useful. Any students who were unable to attend can contact the teachers by email to request the resources and presentations from the sessions.

Masterclasses will run as they did last term for the first 3 weeks of the Summer Term. We will then align the sessions with the exam timetable as requested by the students. More details will be emailed to students later this week.
