Prom Launch 2024

The 2024 Prom celebration will be held at The Alverton Hotel, Truro on Friday 28th June 2024. Timings to be confirmed.

Currently all students are invited to attend this celebration, however, behaviour and attendance in school will be taken into consideration.

Keyworder Support Programme

Every Monday, students will be completing independent revision during tutor time. Keyworders will be available to support however, students will need to bring their own revision resources with them.

There will be a different theme each week centered around our whole school revision/study strategy – SORT. These sessions are to encourage independent study and help students manage their own study habits away from school.

At Poltair we **SORT** it!

Further details of all the revision strategies can be found on our website via the following link.
