## Spring Spit Beach Action Day

On Sunday 8th April some of our Year 7 students took part in a beach clean at Spit Beach which was hosted by the PL24 Community Association.

There was beach art, rock pooling and even free food laid on for the volunteers... and to top things off the weather was extremely kind; clear blue skies!

# Mensa Memberships

As a continuing part of Poltair School's provision for our More Able students, a group of students recently sat the Mensa IQ test. Mensa is a global intellectual society that offers stimulation and enrichment for the most gifted. Membership to the society is only offered if a candidate scores in the top 2% of the population in their IQ test. Students were invited to take the Mensa IQ test as recognition of the high aptitude that they demonstrate across the school curriculum. We are delighted to say that eight of our students successfully achieved the Mensa membership!

They are: Daniel Allen, Michaela Alexander, Bronwen Craddock, Aaron Jones, Sebastian Powell, Amber Roseveare, Niamh Stephen, Stanley Stephens.

This is an incredible feat and very well deserved. All the pupils involved should be very proud of the strength of character and resilience they showed through the whole process.

***Congratulations!***

Congratulations to Madison Tregonning who has been graded a silver passport in ice skating. She has been skating for approximately 3 years and has lessons at the Eden Project during the Winter months.

Madison missed out on gold by just one mark!

The grades go from level one through to eight and then bronze, silver, gold - that is when you can then start to enter regional competitions.

Well done!
