Year 6 Taster Day

On Wednesday 19th September, we opened our doors to Year 6 students from a number of local primary schools. They experienced a taste of Poltair life whilst participating in a variety of activities in a range of subject areas.

Open Evening

On the evening of 20th September we hosted an Open Evening. Despite the torrential downpours there was a fantastic turn-out. Our staff, aided by Poltair students, not only showcased their students' work but also encouraged prospective pupils to participate in various activities within their department.

Many parents commented on the overwhelming sense of positivity and pride that came across from staff and indeed our pupils. There will be many parents for whom the Open Evening will have convinced them that Poltair is the right school for their child and there will be others who now seriously consider Poltair as an option.

Well done to all involved!
