25th February 2023

Dear Parents/Carers

Apologies for emailing at the weekend, but I feel it is important to update you on an issue that is affecting schools across the country, which included the protests at Penrice Academy yesterday.

Through social media we understand that a small minority of our students have discussed a similar event at Poltair on Monday.

To be clear this sort of behaviour will not be tolerated and any student bringing the school into disrepute will face serious consequences. Poltair is a wonderful, safe, and caring community and our students have a number of ways to gain support and discuss any issues they might be facing. This can be through their form tutor, head of year, teachers, school council representatives, a member of the safeguarding team and student support services, to name just some of the first points of contact.

If your children have any issues, they wish to discuss, please ask them to do so through the appropriate channels. We are a school that is so proud of its students and local community. We respect and trust each other and strive to build a confidence and character in every student to enable them to flourish and make their goals a reality.

Please can you discuss the contents of this message with your child and reassure them school will be operating as normal on Monday.

If you do have any further questions, please do not hesitate in contacting the school.

Thank you so much for your continuing support and I wish you all a very enjoyable rest of the weekend.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Mark Everett', is placed within a white rectangular box.
