7th March 2023

Dear Parent/Carer

Re: Spaceport Cornwall, Newquay – Tuesday 14th March 2023

We have an exciting opportunity to take 50 Year 10 students to Spaceport Cornwall, Newquay on Tuesday 14th March. Students will have the opportunity to have a guided tour, to see the 70ft Launcher One model rocket, the new satellite integration facility and hear a presentation from the Spaceport Cornwall team.

We will travel to Newquay by coach, leaving school at 9.30am and returning to school by 12.30pm. Please note that all students are required to wear full school uniform and bring with them a coat and a drink.

To help cover the cost of this trip we are asking for a voluntary contribution of £4.50 per student which covers all transport related costs. We regret however, that if the costs cannot be met from voluntary contributions, it may not be possible to proceed with this trip.

If you are unable to meet all or part of this voluntary contribution but still wish your child to attend please contact our Pupil Premium Lead, Mr Vicary, cvicary@poltair.cornwall.sch.uk as he will be able to advise of any financial support the school can offer to you.

Unfortunately, spaces are limited for this trip and will be available on a first come first served basis. If you wish your child to attend this trip please make your voluntary contribution and confirm your parental consent via ParentPay, by Monday 13th March.

Should you have any questions or concerns regarding this trip please do not hesitate to contact me, either by phone or email rspicer@poltair.cornwall.sch.uk.

Yours sincerely
