

Poltair+

Summer Term 2025

Poltair+

Our termly package of extracurricular opportunities, Poltair+, gives students the chance to participate in activities, acquire new skills, and enhance their existing ones outside of the classroom.

At Poltair, we strongly believe that participating in Poltair+ is an essential part of a student's education. We encourage all students to join in, as we feel it helps to cultivate a well-rounded individual and builds their confidence and character. We want our students to be able to leave us at the end of Year 11 as fully developed young adults.
