16th November 2023

Dear Parents/Carers

Year 10 and Year 11 Careers Fair - Thursday 30 November 2023 – 5:00pm -7:00pm

We are delighted to invite you to an important event on our school calendar for Key Stage 4 students and their families - The Careers Fair.

This is an exciting opportunity for you and your child to meet a wide range of post 16 education providers and employers. Throughout the evening you will be able to meet representatives from colleges, sixth forms and universities as well as a wide range of employers from Public Services and Armed Forces to Health Care professionals, Hospitality/Catering and Tourism to Construction and Engineering and much more.

In addition to this students can find out more about various job sectors, organisations and what they can offer, whether it's work experience opportunities or apprenticeships when they leave school at 16+ or older or aspiration goals for the future. There are also specialists to give information about Apprenticeships and general Careers Advice.

This combined Careers Fair will be held at **Poltair School on Thursday 30 November starting at 5:00pm.**

This event will help ensure our students, and you as parents, are better informed to make the important decisions over the next 2 years and onwards as students develop their career plans and pathways.

We are looking forward to welcoming you and your child to this event, and due to this being a combined activity, please follow this link www.poltairschool.co.uk/careersfair2023bookings to secure a place.

Yours sincerely

Mark Everett
