Dear Parent/Carer

Re: **Curriculum Enrichment Week 2023 – Week beginning 22nd July 2024**

We have an exciting opportunity for all Year 9 students to take part in the 2024 Curriculum Enrichment Week.

Year 9 students will have the opportunity to take part in a week of beach adventures: students will undertake a 2½ day residential stay at Elemental Surf Lodges, in Newquay where they will have the opportunity to take part in many beach and coastal activities alongside some external activities as well as spending 2½ days in school where they will undertake life skills.

For each year group the week will be divided into two parts where one group will attend residential camps from Monday morning until Wednesday morning followed by school based activities, the other group of students will remain in school at the beginning of the week and then attend the camp on Wednesday afternoon. We will be able to confirm the exact student groupings for this nearer the time.

Travel Information

Students leaving for the residential camps on the Monday will leave school at approximately 9:00am and return Wednesday at approximately 12:00pm. Students attending the residential on the Wednesday will leave at approximately 12:00pm and will return at approximately 3:00pm on Friday. All travel arrangements are included in the cost of the activities.

Emergency Contacts

In the event of an emergency, or if we have any concerns, we will contact you by phone using the details held on our school system. If you need to contact your child urgently staff can be contacted on the school mobile phone and again, the number for this will be shared nearer the time. We can confirm that this mobile phone will be checked regularly between 7:00am and 11:00pm, unless we are supervising students in an environment that requires our support. We would urge parents to contact staff in the first instance if there is a problem at home that parents wish to notify students of.

Medical Information/Consent

May we take this opportunity to remind parents and carers that we will require information and/or a Care Plan for students with medication needs.

Mobile Phones and Tablets

We discourage the use of mobile telephones as it detracts from the whole experience. It is also worth noting that there is no recharging provision available and they can easily be lost. Similarly, we discourage the use of tablets and other devices. Neither the residential venues or Poltaire School will take responsibility for electronic equipment which is lost or damaged. The use of any electronic equipment will be under the direction of staff.

Prohibited

Other than the kit listed below, the providers will supply all the equipment required for a full residential experience. Please do not send your child on the camp with any additional food or snacks, knives, pen knives, fire lighter's, axes, saws and lighters or any other additional items required for an overnight stay.

Kit List

Year 9 Surf Lodge Residential List:
Clothes for 3 days
Footwear to wear in the days and evenings
Shoes to wear in the water
Swimwear for underneath a wetsuit
Sun hat / Sun cream
Wash bag with towel, toothbrush, soap etc

Payment Details

To cover the cost of this trip we are asking for £220 per student which includes all activities at the camp, activities in school, food, and accommodation. We regret however, that if the costs cannot be met, it may not be possible to proceed with this trip.

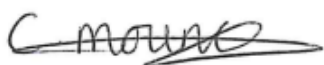

Suggested Payment Plan.				
1 st February	1 st March	1 st April	1 st May	1 st June
£60	£40	£40	£40	£40

If you are unable to meet the cost of the trip but still wish your child to attend, please contact Mr Pyle opyle@poltair.cornwall.sch.uk Year 9 Pupil Premium Lead and he will be able to advise of any financial support the school can offer to you.

If you wish your child to take part in this Curriculum Week of activities, please confirm your parental consent and make all payments via ParentPay. The deadline for the final payment is 1st June.

During the two school-based day students will be required to be in Poltair PE kit to participate in team building activities on school site. Should you have any questions or concerns regarding any of the activities please do not hesitate to contact your child's tutor in the first instance, either by phone or email.

Yours sincerely

Miss C Mounce
