Dear Parent/Carers

Re: KS3 Food and Nutrition

Throughout Years 7, 8 and 9 all students at Poltair School study Food and Nutrition once per fortnight. Each term they take part in approximately 3-4 practical lessons, where they develop the knowledge and life skills of how to create tasty and nutritious food.

During the renovations of the Creative Learning Centre and so far, this academic year, we have provided ingredients for all students in Key Stage 3. However, this is not financially sustainable to continue as a school.

Therefore we are asking for a parental one-off payment for the rest of this academic year. Through this payment, the school will ensure that all ingredients are supplied for your child's practical Food and Nutrition lessons.

By offering this option, students won't need to bring ingredients in from home. Our hope is that this will help parents/carers to save on costs as well as prevent you being left with surplus ingredients which you may never use again.

The cost of this payment is £7:00 and will cover the remainder of the school year. Please can we ask that all payments are made via ParentPay by Friday 1st March.

Please do not hesitate to contact me via email (eclarke@poltaire.cornwall.sch.uk) if you require any assistance with this payment or if you wish to discuss this further.

Many thanks for your ongoing support.

Yours sincerely

Mrs E Clarke

Teacher of Food, Hospitality and Catering
