

Year 11 Parent Bulletin

Monday 5th January 2026

Dear all,

We have warmly welcomed our year 11 students back today, we trust that all year 11 students have had a well rested break and they are ready to start afresh this term.

We have a busy start to the term with students receiving their PPE results on Tuesday 6th January, these will also be emailed to you. The link to book onto parents evening will also go live on Tuesday 6th January for you. We are looking forward to welcoming you to Poltair School on the 15th January from 3.30pm onwards and staff are looking forward to sharing successes and next steps with you.

Our prep sessions will also begin on Tuesday 13th January. We want to encourage all year 11 students to attend these. These will make the difference in ensuring all students secure their target grades.

The offer of our prep sessions has changed this term; we will be offering English and Maths prep session every week.

If your child does need some additional support in completing college applications, please do contact us and we can support in school.

Miss Dingwall
Head of Year 11

Message from Mrs Pearson

There are three spots available for the London trip on February 6-7, priced at £273. This will be the final trip for students in school, and it is open to anyone in Year 11. Please email epearson@poltair.celtrust.org for further information.
