Year 11 Parent Bulletin

Thursday 8th October 2026

I want to start by saying a huge well done to Year 11 for the continued dedication they are showing to their learning and attending our after school prep sessions. Every session they attend is another opportunity to strengthen knowledge, build confidence and be PPE ready!

We would also like to thank students for their conduct at Open Evening, it was a privilege seeing Year 11 students be such amazing ambassadors for the school. It was wonderful to hear such positive comments from visiting families.

We are really pleased to welcome Stephen Seki to Poltair School on Monday 12th October. Stephen is a motivational speaker and qualified pharmacist who will share his own remarkable journey of overcoming adversity, building resilience and encouraging our Year 11 students to recognise their potential and not allow setbacks or challenges to define what they can achieve.

Our PPE's are now approaching, please can you ensure that students bring a clear refillable water bottle and pencil case with equipment to their PPE's.
