

*believe & achieve*

04 September 2020

Dear Parent / Carer

We are looking forward to welcoming years 8, 9 & 10 students back into school on Monday. It has been a great start to the year with years 7 & 11, and I have been incredibly impressed with the way that the students have responded to the safety measures we have put in place.

You have already received detailed guidance about the start of the year for students, this will, of course, be kept in constant review as Government guidance changes.

I have been very impressed by the standard of the students uniform and thank parents in advance for their continued support, can I also remind all parents that face masks are to be worn by students in corridors and communal areas.

I will write to you regularly to keep you informed of the changes within the school; it is clear to me that Poltair has many strengths and I am looking forward to working with you on the schools' journey.

Sincerely

Mark Everett  
Head of School
