

# Year 11 Revision Booklet

## Preparation for Year 11 exams 2020

### Revise for 100

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25
26	27	28	29	30
31	32	33	34	35
36	37	38	39	40
41	42	43	44	45
46	47	48	49	50

Record every 15 minutes that you revise. You are aiming for 100 hours before your first exam. This could be any revision session in or out of school

12/06/20	AM	AQA	GCSE	8464/P/2F+2H	Combined Science: Trilogy - Physics	Combined Science: Physics - Paper 2 F&H	1h 15min
16/06/20	AM	AQA	GCSE	8382/2F+2H	Statistics	Statistics - Paper 2	1h 45min

**All other information you may need to complete the activities are:**

- ❖ **On class charts – set as revision homework**
- ❖ **On the school website <https://www.poltairschool.co.uk/Student/Revision.html>**

**This work replaces all homework and sanctions will apply, as usual, if not completed.**

**Good luck and remember to rest where you can, you will need your energy for the last drive towards excellent GCSE results!**

# Week 16

Monday 08/06/20 Mathematics Paper 3			Tuesday 09/06/20 History Paper 3 Music Food			Wednesday 10/06/20 Chemistry Paper 2			Thursday 11/06/20 Geography Paper 3			Friday 12/06/20 Physics Paper 2

GATHER	FILTER	LEARN	TEST
<p><b>Session 1</b> After the first time you have revised a topic you should not need to do any further 'gathering'.</p>	<p><b>Session 2</b> After the 2<sup>nd</sup> or 3<sup>rd</sup> time you have revised a topic, you should not need to do anymore filtering.</p>	<p><b>Session 3</b> Give yourself a variety of activities and change where you work from time to time. Don't forget to revise with friends sometimes too!</p>	<p><b>Session 4 onwards</b> As you approach your exam date, spend more and more time on the testing phase and make the tests more challenging.</p>
10% of your time	30% of your time	40 % of your time	20% of your time
<p><b>You will need:</b></p> <ul style="list-style-type: none"> <li>• Exercise books</li> <li>• Textbooks</li> <li>• Revision Guides</li> <li>• Knowledge Organisers</li> <li>• Websites / Google Classrooms</li> <li>• Past papers</li> <li>• Model answers</li> </ul> <p>Before you start, <b>RANK</b> the topics you need to cover from most to least confidence. Begin with the topics lowest on the list.</p> <p><b>READ</b> through and become familiar with the information you need to know.</p> <p><b>IDENTIFY</b> any gaps in your knowledge and see your teacher to help fill these gaps.</p>	<p><b>REDUCE</b> the amount of information you have down to the essential parts. You could do this by making:</p> <ul style="list-style-type: none"> <li>• Mind maps</li> <li>• Flash cards</li> <li>• Posters</li> <li>• Crib sheets (like pages from a revision guide with key information)</li> <li>• Knowledge organisers</li> </ul> <p>Try writing the 'perfect' exam answer from your notes.</p>	<p>Use some of the following strategies to learn the information you have filtered so that you can recall it easily:</p> <p>Look/say/cover/write/check</p> <p><b>RE-PRESENT</b> the information you have gathered and filtered (if you've made flash cards, can you now create a crib sheet from memory?)</p> <p>Complete individual exam questions and then self mark. Make corrections or fill in blanks in a different colour. Revise the bits you missed again.</p>	<p><b>Low stakes testing:</b> Easy, quick quizzes which test small pieces of knowledge: facts, dates, key words, vocabulary, important formulae. (<i>Kahoot/Quizlet</i>) You must complete low stakes testing within 24 hours of revising to anchor learning in your memory</p> <p><b>High stakes testing:</b> Longer exam style questions which APPLY knowledge like you would have to in the exam. These should be completed within 48-72 hours of revising a topic and then repeated to keep it "fresh"</p>
<b>Gathering IS NOT REVISION – don't spend ages on this stage!</b>	<b>Copying out information word for word is NOT filtering OR learning!</b>		<b>Silent. No support. Timed.</b>
